NINETEEN HUNDRED AND SEVENTY-FIVE

FATHOM 1975

Gainesville Jr. College
Gainesville, Georgia
Volume VIII

Remember always that you have not only the right to be an individual; you have an obligation to be one. You cannot make any useful contribution in life unless you do this.

ELEANOR ROOSEVELT

Conscience is the inner
voice that warns us some-
body may be looking.

H.L. MENCKEN

I am not afraid of tomorrow, for I have seen yesterday and I love today.

WILLIAM ALLEN WHITE

Your success and happiness lie in you . . .
Resolve to keep happy and your joy and you
shall form an invincible host against dif-
ficulties.

HELEN KELLER

Life was meant to be lived and curiosity
must be kept alive.
One must never, for whatever reason, turn
his back on life.

ELEANOR ROOSEVELT

There are as many nights as days, and the one is just as long as the other in the year's course. Even a happy life cannot be without a measure of darkness, and the word "happy" would lose its meaning if it were not balanced by sadness. It is far better to take things as they come along with patience and equanimity.

CARL JUNG

The perfection of any matter, the highest or
the lowest, touches on the divine.

People is all everything is, all it has ever been, all it can ever be.

William Saroyan

What another would have done as well as you, do not do it. What another would have said as well as you, do not say it; written as well, do not write it. Be faithful to that which exists nowhere but in yourself---and there make yourself indispensable.

Andre Gide

One of the most beautiful qualities of
friendship is to understand and be
understood.

Seneca

The most I can do for my friend is simply to be his friend.

Henry David Thoreau

Gainesville Junior College Alma Mater

All hail to Gainesville College,
All hail to the blue and gold;
To thee our Alma Mater
We let our praises roll.

As Lakers may we e'er be true
To those ideals we learned from you,
And as we go forth from your light,
Guide us ever in the path of right.

For Gainesville College proudly stand
Her sons and daughters through the land;
Their lives do honor to her name,
Their works add glory to her growing fame.

Oh, Alma Mater, thee we toast
As of our college years we boast;
Those years of striving to attain
The promise of our wisdom's precious gain.

GAINESVILLE
JUNIOR
COLLEGE

THE LAKERS

You must learn day by day, year by year,
to broaden your horizon. The more things
you love, the more you are interested in,
the more you enjoy, the more you are
indignant about - the more you have
left when anything happens.

Ethel Barrymore
